TECHNOLOGY FOR A GREEN ENVIRONMENT!

Toll Free: 800-331-2243 • www.romixchem.com

YOU GET IT ALL WITH A CALL... TO ROMIX

Advice from a staff of pros... We've been in business for over 30 years, so when it comes to cleaning your trucks and equipment, we've got the knowledge and products for today's environment. We're happy to share what we've learned with our customers. We offer a range of hi-tech products that enable our customers to find the right product for the right job.

Simple ordering... To place an order and get fast knowledgeable advice about your cleaning problems. Call our TOLL-FREE number: 1-800-331-2243
Fax our 24 HOUR FAX NUMBER: 1-817-685-0877

E-Mail romix@sprynet.com
Order from our website: www.romixchem.com
Our terms are 30 days, and your open account is usually already "pre-approved".

Fast same day shipping... RoMix offers a wide variety of delivery and shipping options. We utilize our own trucks when feasible, and when we use UPS or Motor Freight, you can be assured you are getting the best deal possible. We will meet or beat any local or out-of-town competitor "deals". Remember... we are as close as your phone, fax or computer.

Biodegradable RoMix detergents... RoMix cleaning formulations contain our exclusive "Detergent Base" that utilizes unique green surfactants. These green surfactants exceed standard criteria and are readily biodegradable. Our detergents are listed as approved with a Positive Environmental Profile (surfactant) on EPA Design for the Environment Formulators Initiative (DFE) Safer Detergents Stewardship Initiative (SDSI). These green detergents breakdown quickly to non-polluting compounds.

Make RoMix your choice!

ALL CLEANING COMPOUNDS ARE NOT CREATED EQUAL!

Satisfaction Guaranteed.

If you are not satisfied with your order, we'll gladly replace it or give you a full refund. Simply call us within 30 days to get a return authorization. Your complete satisfaction is important to us. (Returns after 30 days may be subject to a restocking charge).

We work hard to keep you satisfied.

Thank you for using RoMix!

EARTH FRIENDLY PRODUCTS

BACK-SET™

ORIGINAL FORMULA

MOLECULAR CEMENT DISSOLVER

BACK-SET is an acid alternative with no fumes or odors. and molecularly attacks the portland in cement, completely dissolving the hardened molecular structure back into rinsable mud. BACK-SET does not contain muriatic, hydrochloric, hydroflouric, sulfuric or phosphoric acids.

- NON-HAZARDOUS
- NON-FUMING
- ACID ALTERNATIVE
- COST EFFECTIVE
- SAFE ON PAINT
- SAFE ON ALUMINUM

 Non-regulated by DOT (CFR49 Sec.173.24)

 Biodegradable (ASTM:E1720-01)

 Non-Corrosive (ASTM:G-31)

See page 17

SAFE AND EFFECTIVE

BACK-SET PLATINUM™

ENHANCED DILUTABLE FORMULA

BACK-SET PLATINUM is the newest technology available. It has the same environment and safety attributes as the original formula. Back-Set Platinum has been performance enhanced and may be diluted up to 6:1 for daily cleaning. The enhanced formulation is designed to go up to 50% further than the competition, reducing both product cost and time!

- BIODEGRADABLE
- NON-HAZARDOUS
- NON-CORROSIVE
- ACID ALTERNATIVE
- COST EFFECTIVE
- NON-DOT REGULATED

RUST-GONE™

AMAZING NEW ONE-STEP PRODUCT!

RUST GONE is a one-step time-delay concrete remover, protectant and anti-corrosion treatment all in one! RUST GONE provides environmentally conscious chemistry for the worker, the workplace and the world. This biodegradable formulation is also non-corrosive to metals, and has a generous rate of concrete removal.

- ENVIRONMENTALLY SAFE TO USE!
- CONTAINS FOOD GRADE MATERIALS (FDA-GRAS Rating)
- USER-SAFE WORKING CONDITIONS
- MILD ENOUGH FOR DAILY USE
- ELIMINATES RUST & CORROSION
- SAFE ON PAINT

RUST GONE forms an invisible barrier that stops the corrosion process!

 Non-regulated by DOT (CFR49 Sec. 173.24)

 USDA Compliant A-3

 Non-Corrosive (ASTM:G-31)

REMOVES CEMENT
ATTACKS RUST

Back-Set - Why Use Anything Else?

CONCRETE REMOVING DETERGENTS AND TRUCK WASHES

Brighten-Up 50™ HIGH FOAMING BRIGHTENER

As a cleaner, Brighten-Up's brilliant foam quickly removes concrete, road film, white-scum film, oxidation, fuel stains, and exhaust deposits. As a brightener, Brighten-Up's rich foam activates after approximately 15-20 seconds, perfectly shining and brightening all clear-coat and contemporary finishes. As a protector, Brighten-Up provides a protection system that penetrates and conditions the pores of the mixer drums to help seal and protect the finish. As a maintainer, Brighten-Up's ultra foam cleans, brightens, protects, and leaves the drum surface looking great!

- CLEANING
- BRIGHTENING
- PROTECTING
- MAINTAINING
- REMOVES CONCRETE
- ALL SIZES AVAILABLE

See page 17

POWERBLAST!™ DETERGENT CONCRETE REMOVER

This is a concentrated acidic pH detergent perfect for concrete producers to clean and maintain concrete trucks and related equipment. POWERBLAST is scientifically formulated for extreme build-up, but when diluted with water, is still a highly effective cleaner of moderate build-up, cement film, and road dirt and grime. Safe for painted and glass surfaces.

BIODEGRADABLE: All detergents used in the manufacturer of this product are biodegradable.

 Add water prior to use for light jobs.

Contains RoMix's RUST GUARD ANTI-CORROSION ADDITIVE

- ULTRA-STRENGTH CONCENTRATE
- DILUTES UP TO 8:1
- SAVES MONEY
- FOR USE WITH DISPENSER UNITS
- USE FOR MANUAL WASHING APPLICATIONS ALSO

See page 17

DISSOLVE-A-KRETE™ DETERGENT CONCRETE REMOVER

This is a full concentrate, acidic pH detergent designed to clean and maintain concrete trucks and related equipment. DISSOLVE-A-KRETE is formulated for heavy-thick concrete build-up, but when diluted with water, is still a highly effective cleaner of moderate build-up, cement film, and road dirt and grime. Safe for painted and glass surfaces.

BIODEGRADABLE: All detergents used in the manufacturer of this product are biodegradable.

 Add water prior to use for light jobs.
Use RoMix's #208 Proportioner

Contains RoMix's RUST GUARD ANTI-CORROSION ADDITIVE

- HIGHLY EFFICIENT
- SUPER SUDSING DETERGENTS
- HIGH-TECH SURFACTANTS
- HELPS PREVENT CORROSION WITH EACH USE
- MANUAL WASHING APPLICATIONS
- DISSOLVES HEAVY, THICK BUILD-UP SUPER FAST.

RoWax

Introducing RoMix's new additive... RoWax. This unique wax formula is available preblended directly into your order of PowerBlast, Dissolve-A-Krete or Econo-Strip. You can add to one or all your drums, it's your choice! RoWax leaves a beading gloss shine and protection as you rinse... clean and wax in one step.

CONCRETE REMOVING DETERGENTS AND TRUCK WASHES

Inviro-Clean™

DETERGENT TRUCK WASH

This ecological and environmental blend combines safe, strong scientific ingredients that dissolves up to 1/8" concrete while respecting our environment... By utilizing citrus acids for strength, less phosphates are released into your rinse water.

★Special Super Concentrated Formulations Available

A natural blend of "food grade" citrus and phosphoric acids in a full detergent base..

- DESIGNED FOR FRONT DISCHARGE MIXERS
- CREATES A "RUST BARRIER"
- GENTLE-EFFECTIVE-AFFORDABLE
- APPLIES WITH SOFT BRUSH OR SPRAYS ON!
- SAFE ON ALUMINUM AND TRUCK CABS.

See page 17

Econo-Strip™

DETERGENT CONCENTRATE

Econo-Strip is a harmonious blend of mild and strong scientific ingredients that clean while respecting the environment. This biodegradable detergent dilutes easily with water, dissolves light build-up quickly, and helps prevent corrosion. Econo-Strip will not harm paint and is also very popular because it has a mild soapy odor and is non-fuming. Remember... all cleaning compounds are not created equal!

Contains RoMix's RUST GUARD ANTI-CORROSION ADDITIVE

- M.S.D.S. WITH ALL PRODUCTS
- MILD SOAPY ODOR
- AVAILABLE WITH RO-WAX
- EXCELLENT FOR MANUAL WASHING APPLICATIONS

Nature Kleen™

DETERGENT CONCENTRATE

"Nature Kleen" is a formulated detergent utilizing all biodegradable surfactants; to this formula we add a "Special" mild FRUIT ACID that naturally occurs in fruits. Our manufactured version of this natural acid is reproduced from Sugar, Lemon, Limes, Etc... by a special fermentation process. This citric acid is non-toxic and non-corrosive and is therefore, very safe to handle and use! Once clean, use Nature Kleen on a regular basis to remove daily build-up.

 Non-Regulated by DOT (CFR-49 Sec. 173.24)

 Non-Corrosive (ASTM: G-31)

 Biodegradable (ASTM: E1720-01)

- GREAT FOR PUMP TRUCKS, CABS AND ALUMINUM FRAMES
- AVAILABLE IN TOTE TANKS
- SAFE FOR THE ENVIRONMENT
- SOFTENS CEMENT BUILD-UP
- FDA GRAS MATERIAL

See page 17

LIQUID SOAPS AND NEUTRALIZERS

BUMPER-TO-BUMPER™ HEAVY DUTY FLEET SOAP

As a cleaner, Bumper-to-Bumper quickly removes road film, grime, and bug residue. As a neutralizer, Bumper-to-Bumper's non-toxic foam action quickly neutralizes acids, acidic cleaners, concrete removers, and works as an anti-corrosion treatment. As a degreaser, Bumper-to-Bumper's heavy duty liquid effectively removes grease and oil. As a protector, Bumper-to-Bumper provides durable corrosion protection, preventing oxidation and deterioration of the mixer drum's outer skin.

- CLEANING
- NEUTRALIZING
- DEGREASING
- PROTECTING

Best when applied with RoMix's Mega-H2O system to assure proper dilution. High dilution makes this product economical.

See page 17

THE BULLY!™ DETERGENT CONCENTRATE

The Bully formula is our revolutionary cleaner "designed for the ready mix" industry and heavy equipment operators. Degreases and removes oil and grime. This is a professional concentrate. Mix with water up to 1-40 depending on surface to be cleaned. Works best when applied by pressure wash machine or Mega-H2O Foam System

- BIODEGRADABLE
- NON-CORROSIVE
- NO SCRUBBING
- DESTROYS HEAVY SOIL

Easy application is a RoMix Trademark!

PRO-SOLVE™ BIODEGRADABLE DEGREASER

"Pro-Solve" is an industrial strength, all-purpose cleaner similar to, but much stronger than 409 or Fantastic. This non-toxic cleaner has thousands of uses. Simply mix with water and put it to work! Suds your trucks down with this soap after using acid to stop all rusting problems.

- DE-OXIDIZER
- RESTORES FADED PAINT
- NEUTRALIZES ACID
- DEGREASES
- MIXES WITH WATER UP TO 50:1

Great for use in a variety of applications... brush and bucket, spraying system, or foam dispensing unit

Try the "Mean Green"

ROMIX EXCLUSIVE SOAPS AND DETERGENTS

BRITE-CAB™ SUPER SOAP

RoMix's "Brite-Cab" thick concentrate was formulated by our chemist as a non-hazardous product. This pleasant to work with, thick concentrate goes to work instantly and reacts with cement film and light build-up! Easily attacks road film, dirt and grime. "Brite-Cab" coats and protects painted and raw material surfaces, leaving a long lasting repellent protection against corrosion caused by acids and chipped paint. After only a few washings you will notice the brightening effect to your paint and be astonished by the anti-corrosion protection!

 Dilute up to 10 to 1 with water with any RoMix dispenser system

- ANTI-CORROSION TREATMENT
- WORKS INSTANTLY!
- COATS & PROTECTS
- HIGH-FOAMING
- LOW pH

Waxy Wash™

CAR & TRUCK DETERGENT

*For touchless, pressure,
hand or brush applications*

Now you can "Wash and Wax" your cars or trucks in one easy step with RoMix's Waxy Wash. RoMix's concentrated formula deep cleans dirt, grime, and road film. Will not harm any surface! Waxy Wash leaves a carnuba wax shine and protection every time you wash... Helps protect paint from scratches and haze. Mixes with water up to 25:1 with any RoMix Dispenser System.

- BIODEGRADABLE
- DEEP CLEANING FORMULA
- HIGH FOAMING ACTION
- NO HAND DRYING NECESSARY
- pH BALANCED

TOP GUN™

CAR & TRUCK WASH

RoMix's Ultra Thick car and truck wash concentrate is specifically designed with moderate foaming qualities for use in automatic washes. Built with low foam surfactants and rinse additives, Top Gun can be used in touchless, pressure, hand or brush applications. Will remove soot, bugs, dirt, road film, etc... without affecting finishes or wax!

- DILUTE WITH WATER UP TO 50:1
- VERSATILE AND ECONOMICAL CLEANER
- BIODEGRADABLE
- LOW FOAMING ACTION
- pH BALANCED

ANTI-STICK AGENTS AND WAXES

BODY GUARD™

ANTI-STICK PROTECTANT SPRAY WAX

The active ingredients cause water and cement to "bead-up" on the trucks surface, which retards adhesion and reduces concrete build up. It dries and leaves an invisible protective shield, which protects against corrosion.

APPLICATIONS: Best when applied with RoMix's Mega-H2O System to assure proper dilution, to give maximum coverage and protection to the entire truck. Economical enough to use after each load or at the beginning of each day.

- SEALS
- CONDITIONS
- RESTORES
- SHINES
- SUPER CONCENTRATE
- DILUTES 20:1

See page 17

Super Shine™

REPELLANT BARRIER RELEASE

Our latest high-tech mineral oil blend, designed to be sprayed onto clean concrete trucks and equipment. Super Shine gives a wet look for a shiny gloss while protecting against rust. Repels and reduces adhesion of concrete. Removes easily with detergent and soap.

- READY TO USE
- NON-HAZARDOUS
- PROTECTS AGAINST RUST
- LOW IN ODOR
- SAFE TO USE

See page 17

#RO-396™

CONCRETE RELEASE AGENT

RO-396 Form Release Agent is specially formulated to be applied to clean surfaces in a thin film for best releasing performance and economy. RO-396 is a ready to use product and can be applied minutes or days before a job. It is most effective if sprayed.

☞EPA Exceeds EPA VOC Compliance (40CFR 54) (Test method used EPA-24)

HIGH-PERFORMANCE

- NON-HAZARDOUS
- NON-TOXIC
- ENVIRONMENTALLY SAFE
- ELIMINATES BUG HOLES
- PREVENTS BUILD-UP
- RE-ACTIVE AGENT

POWDER TRUCK DETERGENTS

**HIGHLY CONCENTRATED
FOAMING ACTION**

RM-1000 TRUCK & RIG WASH (white powder) **Deluxe**

RoMix Truck & Rig Powders are "Top of the Line" detergents for heavy truck cleaning. Specifically designed for industrial washing, including aluminum trailers. Cuts diesel smoke, road film, grease, light cement and grime. 100% active ingredients cut labor to a minimum.

RM-1500 TRUCK & RIG WASH (Pink with Solvent) **Extra Duty**

RoMix's Extra Duty "Pink" Truck & Rig Wash is the same superior formula as our "Famous RM-1000 White" Blend. However, "Pink" contains a special foaming agent that mixes with water creating EXTRA Cleaning and Degreasing Properties. Best overall cleaner.

RM-2000 TRUCK & RIG WASH (Brown with Wax) **Deluxe**

RoMix's Deluxe "Brown" Truck & Rig Wash meets all the specifications of our "Famous RM-1000 White" Blend. Plus, we have added our proven "Ro-Wax" to the formula. Gives painted surfaces a wax-like shine. Old oxidized paint regains color and sheen.

RM-3000 "CHERRY BOMB" DYNAMITE (RED)

RoMix's Red - "Cherry Bomb" is our newest addition to our truck and rig wash soaps. Cherry Bomb was developed for our customers that have a need for a "Super Strength" or "Professional" version of our already strong "RM-1500 Pink". Contains more foaming agent and detergent. Cherry Fragrance.

***USE IN PRESSURE WASH SYSTEM OR MANUALLY WITH BRUSH OR MITT**

★ All of the above available in: 50lb Trial Pails, 100 and 200lb Kegs, and 400lb Drums.

 USDA Compliant A-1, A-2, A-4, A-7, A-8

SPECIALTY PRODUCTS

ALUMINATE™

ALUMINUM BRIGHTENER & CLEANER

RoMix's "Aluminate" brightens and cleans dull oxidized cement coated aluminum in an easy one step operation. Try this "exclusive formula" and you will never use anything else. Spray or brush on, soak, and pressure rinse.

Not recommended for highly polished aluminum trailers.

- SPRAY OR BRUSH
- DILUTES UP TO 45:1
- FOAM HANGS IN PLACE
- REMOVES CEMENT FILM
- ONE STEP FORMULA
- LOW COST

ALUM-A-GLOSS

HIGHLY POLISHED ALUMINUM CLEANER

Designed to clean and polish in one-step. Makes short work of tough jobs... no scrubbing. Excellent on highly polished aluminum, chrome, and stainless steel surfaces.

Non-regulated by DOT (CFR49 Sec. 173.24)

Non-Corrosive (ASTM: G-31)

- CONTAINS FOOD GRADE MATERIALS (FDA-GRAS RATING)
- REMOVES CEMENT FILM
- BIODEGRADABLE
- DILUTES WITH WATER
- NON-ABRASIVE

ULTRA-GUARD

PROTECTANT

ULTRA-GUARD is designed to protect and beautify Rubber, Vinyl, Leather, Wood, and Plastic. Hides smears and helps protects against ordinary wear, stains, and water spills. Cleans, shines, and polishes... all in one easy step!

- REPELS DIRT AND GRIME
- HIGH-GLOSS
- IMPROVED DURABILITY
- READY TO USE
- GREAT ON TIRES AND INTERIORS

SPECIALTY PRODUCTS

Degreaser and Parts Washer Solvent

CITRUS-CLEANTM CLEANER & DEGREASER

This newly developed degreaser solvent is a product of natural citrus peels, and is made entirely of natural origins. Citrus Clean is formulated to clean and degrease motors, engine parts, tools, and other equipment. Completely biodegradable and environmentally safe.

 GRAS Rating by FDA

- REMOVES TAR, GREASE, OIL AND ASPHALT
- READY TO USE
- NON-PETROLEUM

DG-82TM SOLVENT ALTERNATIVE DEGREASER

Highly powerful, cleaner degreaser designed to remove the toughest cooked on grease from engine parts, transmissions, and undercarriages. Easy to use, just spray on, let set, and wash off with water. Melts away grease, ideal for garage use!

V.O.C. Formulated

 Non-regulated by DOT

- NO SCRUBBING
- FAST ACTING
- NON-FLAMABLE
- NON-HAZARDOUS
- AVAILABLE IN ALL SIZE CONTAINERS

#AR pH REDUCERTM

(AR = Acid Replacement Technology)

PIT NEUTRALIZER

#AR pH Reducer uses acid replacement technology to lower the high pH level found in containment pits. Can be used in process or recycled water. Safe to store and handle.

 Non-regulated by DOT (CFR49 Sec.173.24)

SAFETY EQUIPMENT AND ACCESSORIES

#TIN001 TINTED SAFETY GLASSES

Tinted safety glasses, yet lighter with a high quality UV coating/tint. Meets OSHA safety standards. Sharp, modern look.

#G0G001 GOGGLES - SCRATCH RESISTANT GOGGLES

Hard exterior coating on polycarbonate lens resist abrasion, giving the goggle a longer life. Permanent antifog inside layer won't wash or peel off. Indirect vent frame has full face flange for a better fit. Lens is 0.050" thick. Meets ANSI Z87.1.1979.

#EG001 ECONO-SAFETY GLASSES

Light weight plastic glasses, abrasion resistant, meet OSHA safety standards. Every driver needs a pair.

PROTECTIVE FACE SHIELDS

Large clear visor swivels up, out of the way. Weight only 8.5 oz. #FAC001

MECHANIC'S GLOVE

Black palm, reinforced thumb and fingertips, knuckleband, blue spandex back, velcro closure. Sizes: L only #MEC001

HIGH-QUALITY WORK GLOVES Stock #4040.

4" Rubberized Cuff. 70% Leather 30% Cotton. To be sold by the dozen. This high quality work glove gives more comfort on the job, providing less chance of hand irritation.

GREEN LINED TOP-OF-THE-LINE

Deluxe, rubber glove for use with cleaning acids, concrete removers, soap, cement, and caustics. Lasts longer, protects hands and mid-arm. Sold per dozen. #G-14

BLACK LINED ECONO GLOVE

For use with cleaning acids, soaps, cement, & caustics. Protects hands and mid-arm. Sold per dozen. #B-14

CHEMICAL FUME RESPIRATORS

NIOSH/OSHA APPROVED

Approved for field exposure to acid fumes, twin cartridges, adjustable head bands. Light weight, durable. #FUM001

DISPENSER**

#208 ROMIX PROPORTIONER

RoMix's drum mounted proportioner automatically dilutes and mixes concentrates with water and dispenses the diluted solution into your cleaning bucket. Simple to use water operated dispenser. The #208 takes the guess work out of mixing concentrates for your drivers.

#1125 RX SPRAYER

RoMix's #1125 RX poly jug 2.5 gallon sprayer is designed for the unique requirements of the concrete industry! The RX Sprayer can apply multi-type products from cleaners to release agents. Equipped with an adjustable strap, lock on/off poly wand and a corrosion and chemical resistant tank. The poly wand has an adjustable spray tip. Includes poly nozzle and a brass flat nozzle.

#1125 RFX FOAMER SPRAYER

RoMix's #1125 RFX Foamer is designed to apply dissolvers, soaps and detergents. Includes foam enductor and poly foam nozzle.

DRUM MOUNT H₂O UNIT

Mega-Spray drum mounted unit automatically dilutes a single product with water where you can easily apply spray, where needed. All plastic construction, 50' hose, poly wand, a simple and easy to use water operated spray unit.

MEGA-SPRAY & FOAM SYSTEMS

#360 MEGA-AIR PUMP DOUBLE INJECTED FOAMER SYSTEM

RoMix's D.I. #360 Foamer System is designed to apply dissolvers, soaps and detergents. The thick foam increases product dwell time and cleaning effectiveness!

- ADJUSTABLE FOAM CONSISTANCY
- ALL POLY CONSTRUCTION
- 50' DISCHARGE HOSE
- TOTE OR WALL MOUNT
- READY TO USE, NO ASSEMBLY
- RELIABLE PERFORMANCE
- CUSTOM SYSTEMS AVAILABLE

MEGA H2O SYSTEM

(AIRLESS FOAMER OR AIR INDUCTED)

Our Mega H2O system is designed to automatically dilute up to 3 products with water. This 3-step bulk water operated cleaning system produces a rich foam that clings to the truck allowing optimal cleaning performance. This system's control panel lets you switch from one product to the next with a turn of a handle. Maintaining your fleet is as easy as 1-2-3 (#1 Concrete Remover, #2 Neutralizing Fleet Soap, #3 Anti-Stick Wax).

MEGA-ELECTRIC PUMP SPRAYER #183

Mega-Electric system is our 110 volt operated spray dispenser. This unit can handle pre-diluted or straight product if needed. Designed to be used with RoMix's Bulk Tank system for premixing concentrated products. Can also be mounted on tote or wall.

- READY TO USE, NO ASSEMBLY
- 50' DISCHARGE HOSE
- HEAVY DUTY WANDS AVAILABLE

*Same unit is available in an air driven model #121
